ORANGE HIGH SCHOOL - 1969

THIS ANNUAL BELONGS TO
KRISTEN KUDE

Chris,
You're a real sweet girl don't let this summer change one single thing about you, except the fact that you'll be a little older and wiser. Have a good summer,
Sherri MacKenman

Hi Quack!
Not really. You're a nut, and we had a lot of fun in P.E. this year. I hope I see more of you in the future and stay out of trouble if you can. Love Ya
- Debbie Young

Kristen-
You are a really great person. Getting to know you this year has really been fun. I wouldn't have wanted anyone else standing next to me in P.E. roll call. Stay sweet forever! Luv ya,
Ann Leary '11

P.S. Good luck!

Chris,
It's been great knowing you this year. Hope we can get a better year next year, this year was bad. Good Luck
Bob Dropraphy

Kris,
It's been great to have known you this year. Great to know someone younger. Hope we have some classes next year. You're a real funny kid. Have fun. Love always,
Chris

Been fun talking to you though Math hasn't been very exciting! Kathie
Agree!! Hope to have Mrs. Claes next year and we can talk some more or more what we can't talk about
Keep in touch!!
Have a great summer

Kristen Kuderpoo,
you sure have been
a goof this year as
all years. But I like
goofs like you. Baby!
No. I'm not insane.
Have fun this summer.
Hope I do, Swill.

Kristen Love ya,
Though I haven't
had any classes with you
this year I'm glad we have
remained close friends now!
Keep your quiet disposition,
and stay out of trouble this
summer.

Had alot
of fun

Kris:
I'm glad you were
in my English
class. You made
it more interest-
ing! this year
was fun but next
year will be even
better- right?-right!

Kristen
fun sure are
nice kid and
'm glad you're one
of my friends. We
have had alot of fun
this year and I hope we
continue to. Best of Luck and
'll see ya next year.
Love ya, Linda Jackson

Hope you have a good time this summer. If you ever feel like you want to go back to school or aren't enjoying the vacation, just think of English, Period 2.

Harlan

Kris,
Sure glad that we came through Smith's and Durkins classes together. See you next year. Mark Collins

Kris,
We had a lot of fun in English. I got in trouble and you didn't but I don't really mind because we still had a good time. Have a nice summer. Don't get into too much trouble over the summer.
Good luck in your junior year.

Rick

Have a great summer
try and forget me for next year (Ha Ha)
Love Jes

Kris,
It's really been fun having you in Smith's education center. Have a great summer. Take it easy, or anyway you can get it.
Pat McIntosh

P.S. - Your mind is in the gutter.

Kris,
Its been really fun knowing you. We had a lot of fun in English. Hope to see you next year. Good luck always.
Best Wishes,
Moe

PROLOGUE

The sounds of 1969 become evident as a new year begins—it comes forth as a spring out of the fertile floor of a deep forest. From a low murmur it is nourished by the sounds of a growing school community. The tramping of feet through the halls are slow and measured as ripples in a quiet pond, or as quick and sharp as water tumbling over rocks.

As the year winds its way into time, each variation in the course of its journey produces its own personal sound. There are so many things to see, do, and say in this our year, 1969. And, over all, the murmur of voices exchange ideas and thoughts, greetings, and farewells.

Thus, the stream of our year flows on. Each problem we face and overcome, each new idea we accept, is as a rock in the bed of the stream. We go up, over, and onward to new sounds and new experiences.

The sounds of each year fade into memories and new sounds emerge—sounds of a future full of promise. The waters of the small streams cascade to the rivers and lakes, and finally, out to the Sea of Life.

As the flow of Life begins, new

Many sounds were represented each day at Orange. Common were the sounds of cheering at games, cries of joy as a queen was crowned, laughter at pep assemblies, and talk among friends around the campus.

The routine of each day became a part of each student's life. For the sophomores, it was a new experience they became accustomed to, and for the juniors it became a stepping stone for their senior year. For the seniors it passed all too quickly. The sounds faded into vague yet cherished memories, never to be recaptured.

Bike Day was a huge success with a turnout of over 800 bikes.

Through competition with other schools and between classes we learned sportsmanship and fair play. We realized, also, that life holds both victory and defeat and that the true glory is knowing that we put all we had into everything we did. In this way we became better individuals, more aware of our surroundings, and better equipped to enter into the Sea of Life.

MR. ELLIS C. HACKETT

Ellis Hackett will long be remembered by his former students for his enthusiasm and interest in his work as a teacher.

Students who entered Mr. Hackett's room daily recall his method of teaching, a method which make them think for themselves.

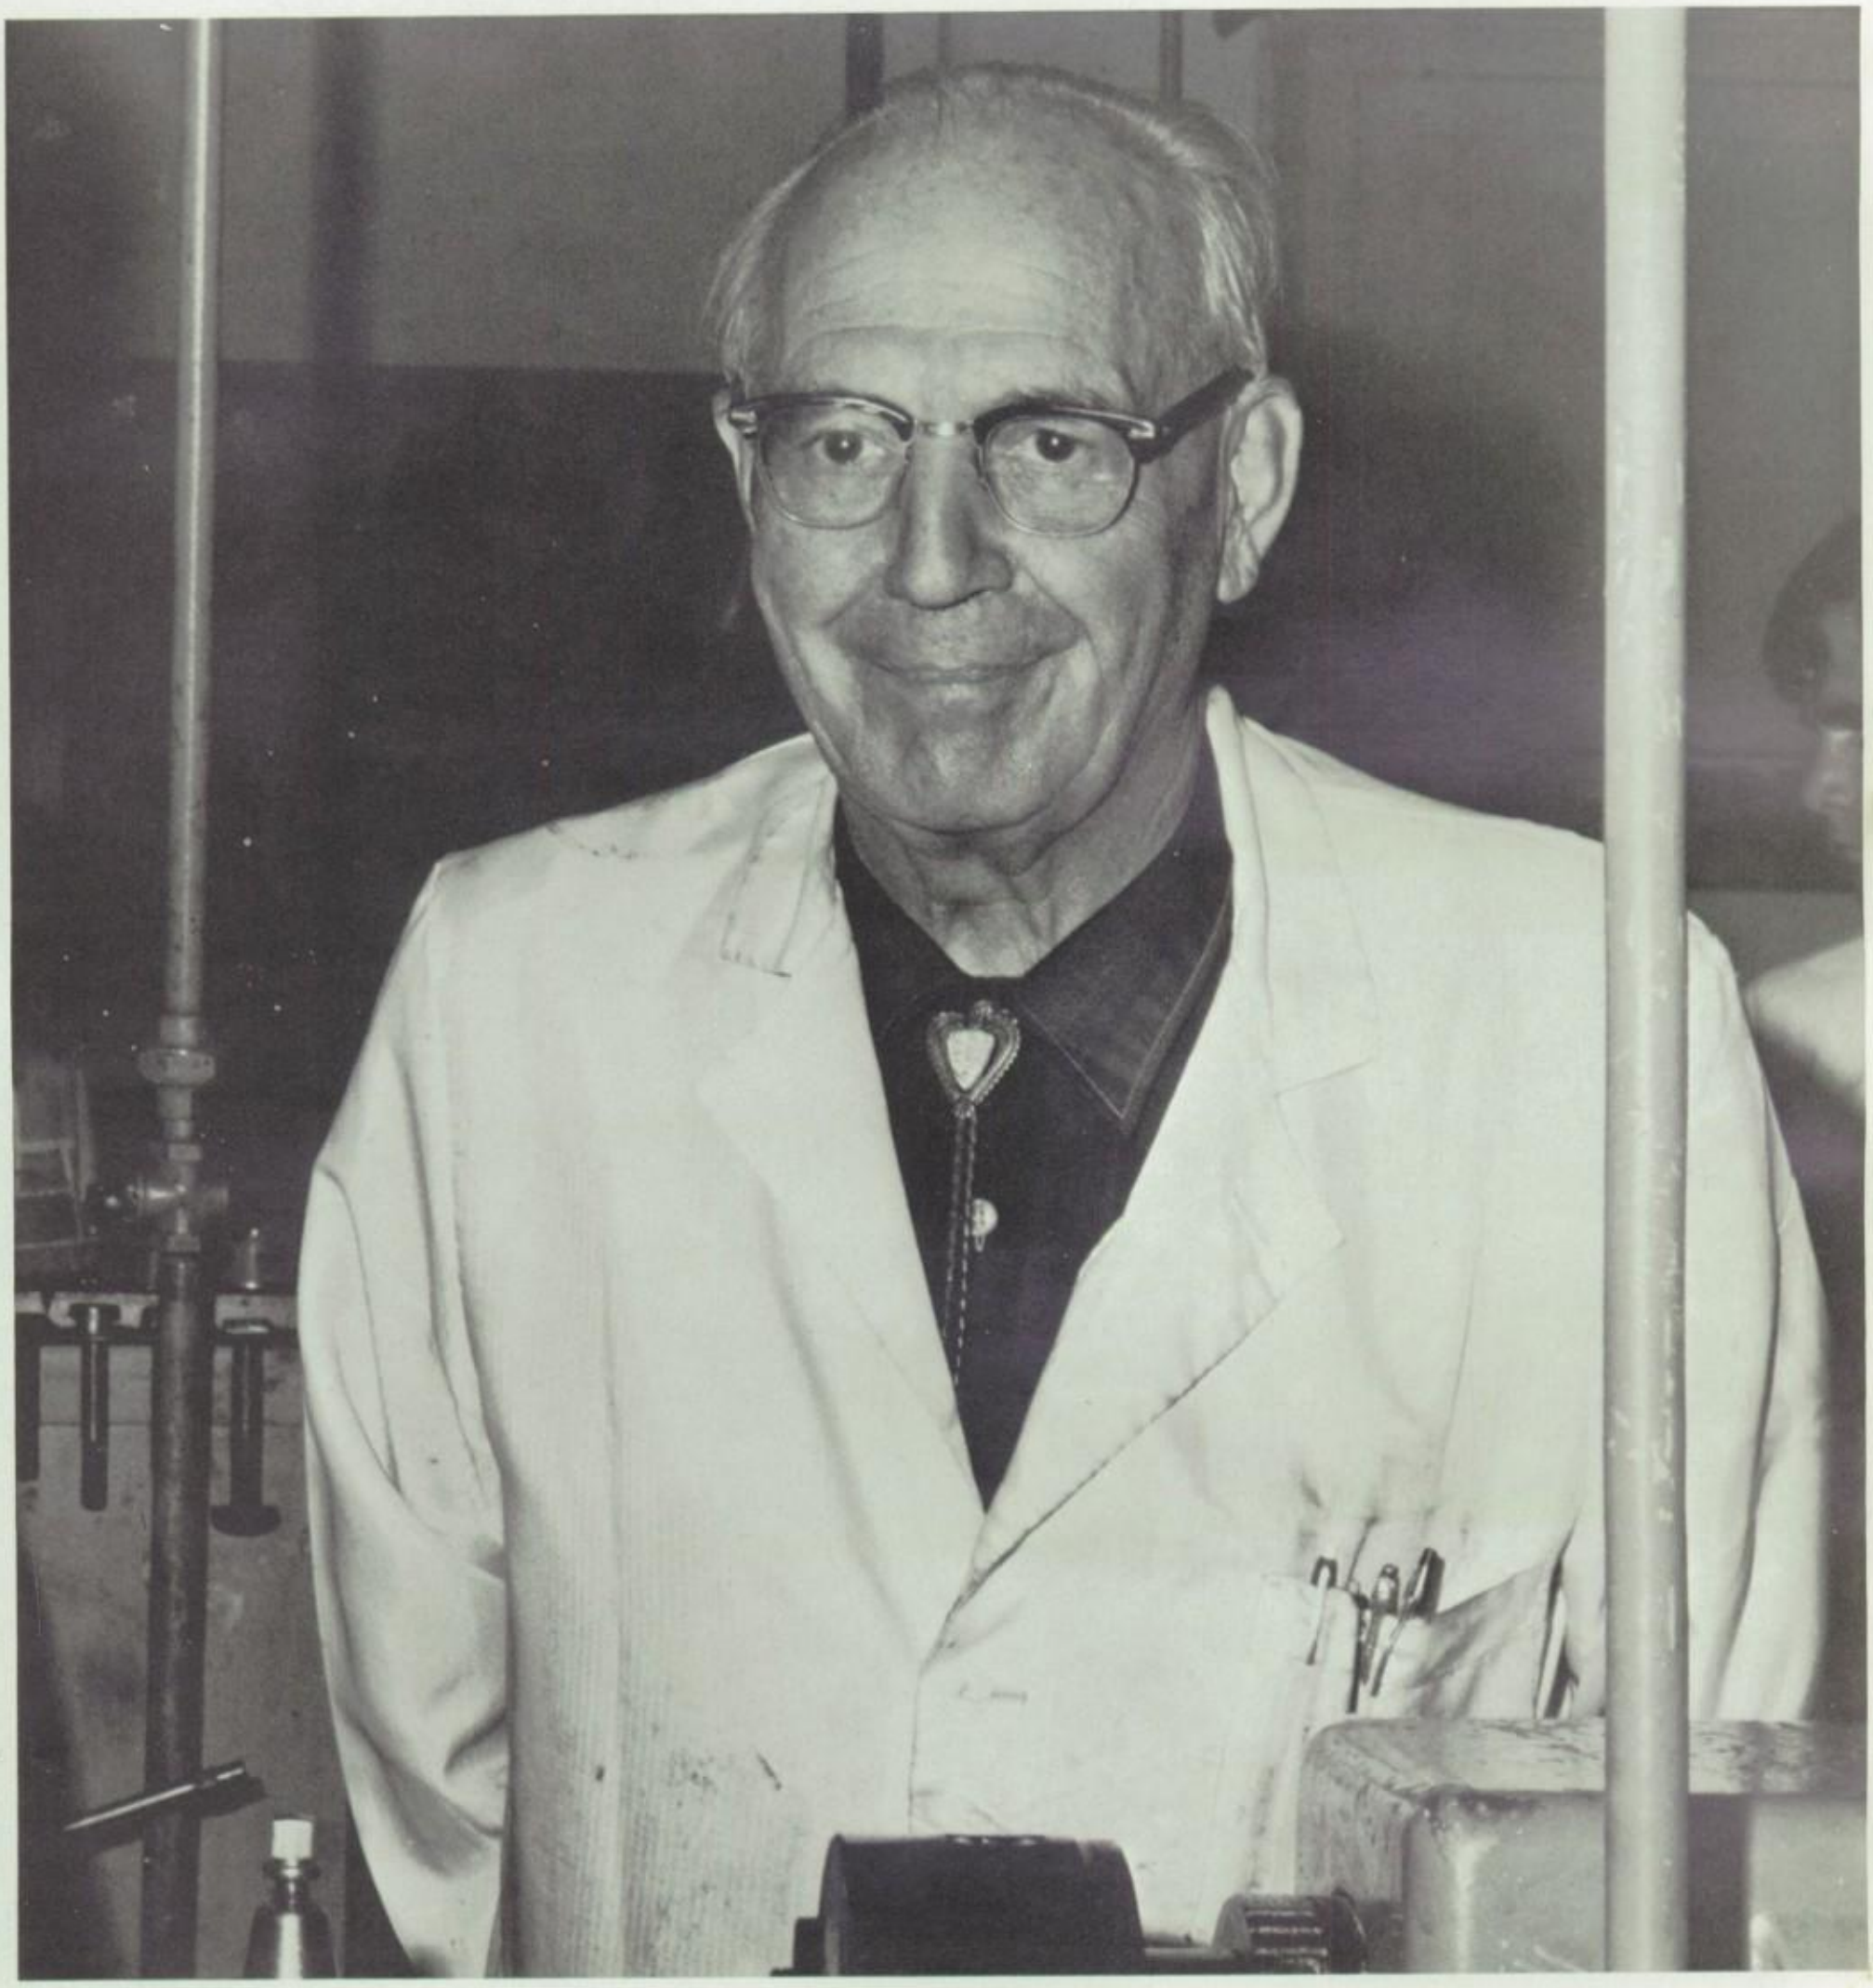
Mr. Hackett graduated from Sioux Falls College in 1933 and began his career as a teacher in 1943. During his fulfilling career, Mr. Hackett has taught social and general science, history and English. He also held the position of superintendent of Chancelor, Hartford and Beresford High Schools in Sioux Falls, South Dakota.

In 1954 Mr. Hackett began teaching at Orange High School. For fifteen years he has taught United States History, social science and general science.

Characteristic of Mr. Hackett is his interest in his students as individuals. He will be remembered not only as a beloved instructor, but also as a friend and counselor.

For his endless concern for the students of Orange, we dedicate the 1969 ORANGE and WHITE annual to Ellis Hackett.

and Mr. LeTourneau, our annual.



MR. PHILIP A. LeTOURNEAU

Philip LeTourneau began his teaching career on a vocational credential he received in 1929. He studied at Colorado State, the University of California at Los Angeles, and received his degree in 1936 from Santa Barbara State College.

Prior to coming to Orange, Mr. LeTourneau taught at Anaheim, Montebello, Fullerton, and Excelsior High Schools.

Mr. LeTourneau's keen interest in the field of industrial arts has made him an expert and his yearning to teach to his students what he has learned has made him a valuable asset to the teaching staff at Orange.

He has skillfully taught industrial arts at Orange for fourteen years. His cooperation as a teacher helped to establish a better standard for student-teacher relationships.

Students who have taken a class with Mr. LeTourneau will remember him as a teacher who gave of himself to further their knowledge. Through the years, Mr. LeTourneau has gained the respect of students and faculty alike.

There are just a few of the reasons why we dedicate the 1969 ORANGE and WHITE annual to Philip LeTourneau.

ASB President: John King

John headed an active cabinet.

John King takes advantage of the Senior Patio.

The past school year has been one of the more intriguing years of my life, both from the standpoint of what I have done and from what I have learned. I am sure that most of you also found that it was a most interesting year, perhaps different than some, and that it brought you many new and unforeseen experiences. I believe now that this is the way most years seem when viewed reflectively; each one a different step in life.

It appears that this year's student government has been similar to other year's; stepping into new ideas, learning the problems of management, and dealing with people. We found that some problems are easily solved while others are almost insurmountable, and that much of what we began was never completed. Viewed objectively, however, the year has proven to be a constructive learning situation and we can say that we always tried, though we did not always succeed.

The year is nearly over now, and when it is, this particular group will never be assembled again. Everyone will go on to live separate lives, as that is the way it must be. So I thank you now for the opportunity to have been your president, I trust you will make your years worthwhile.

Become what you will,

John King

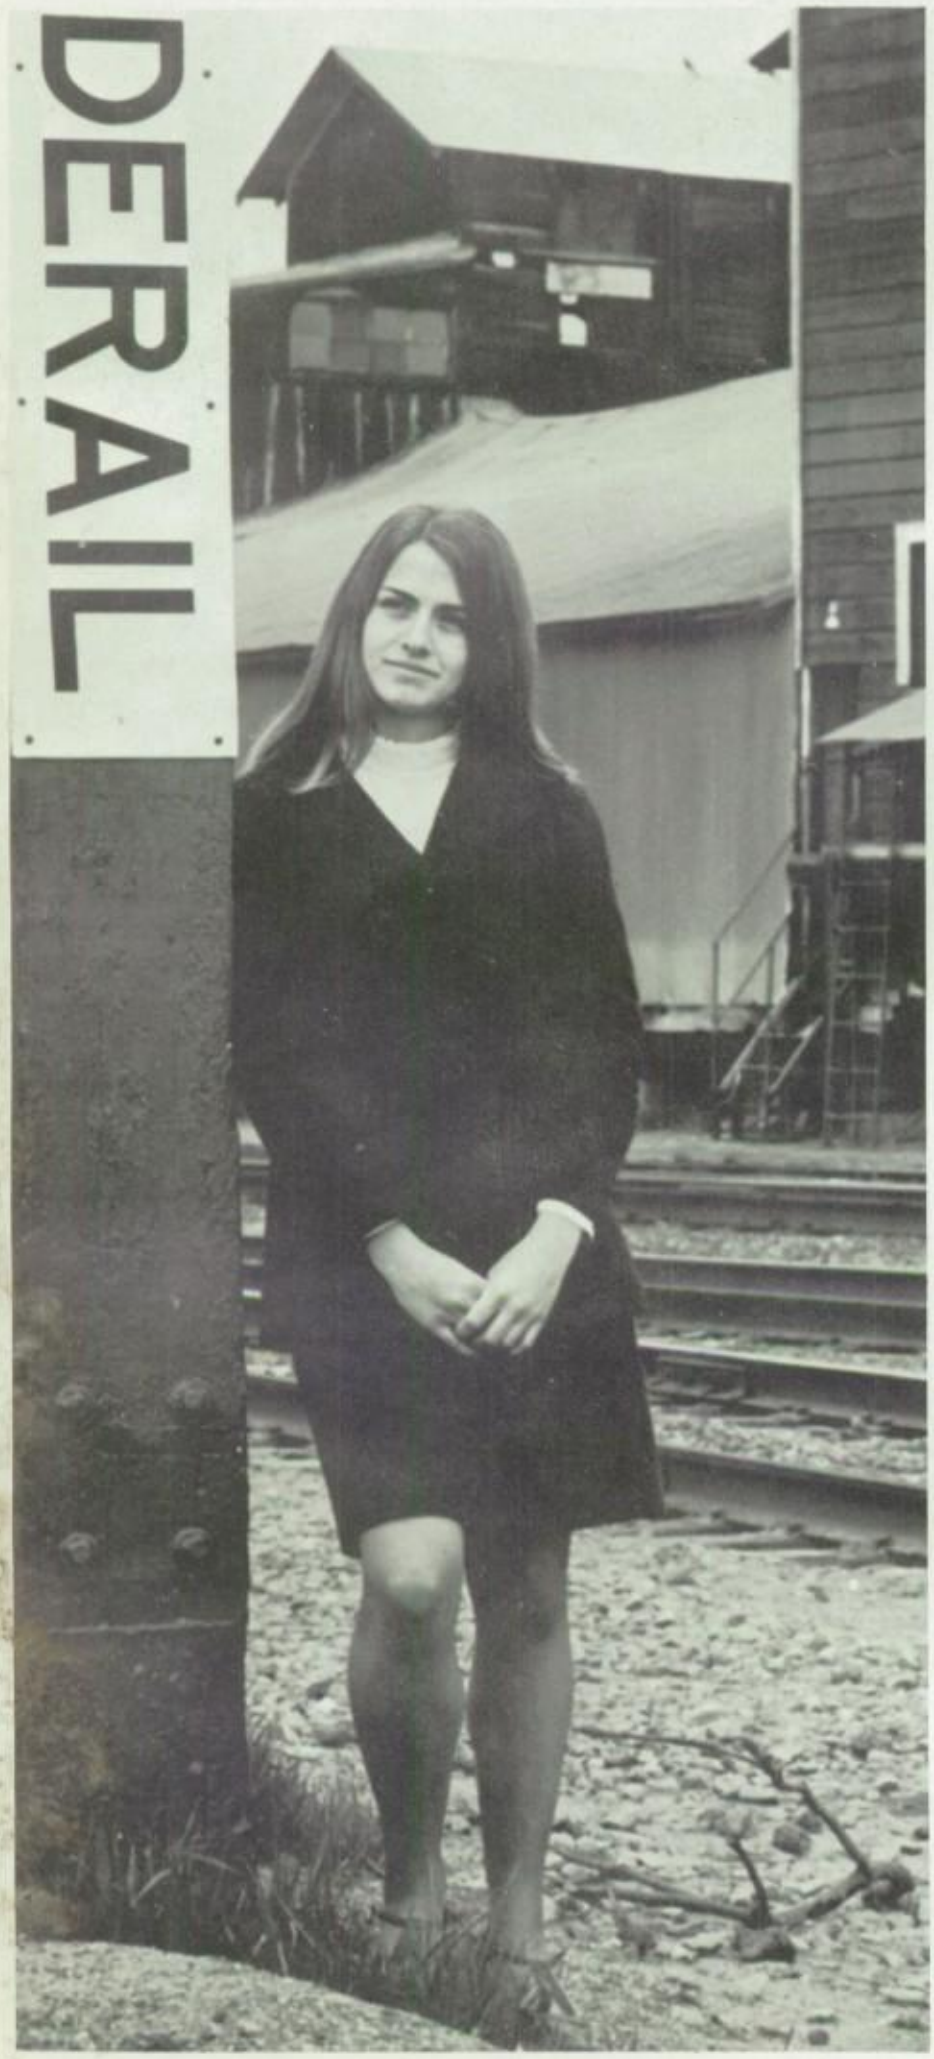
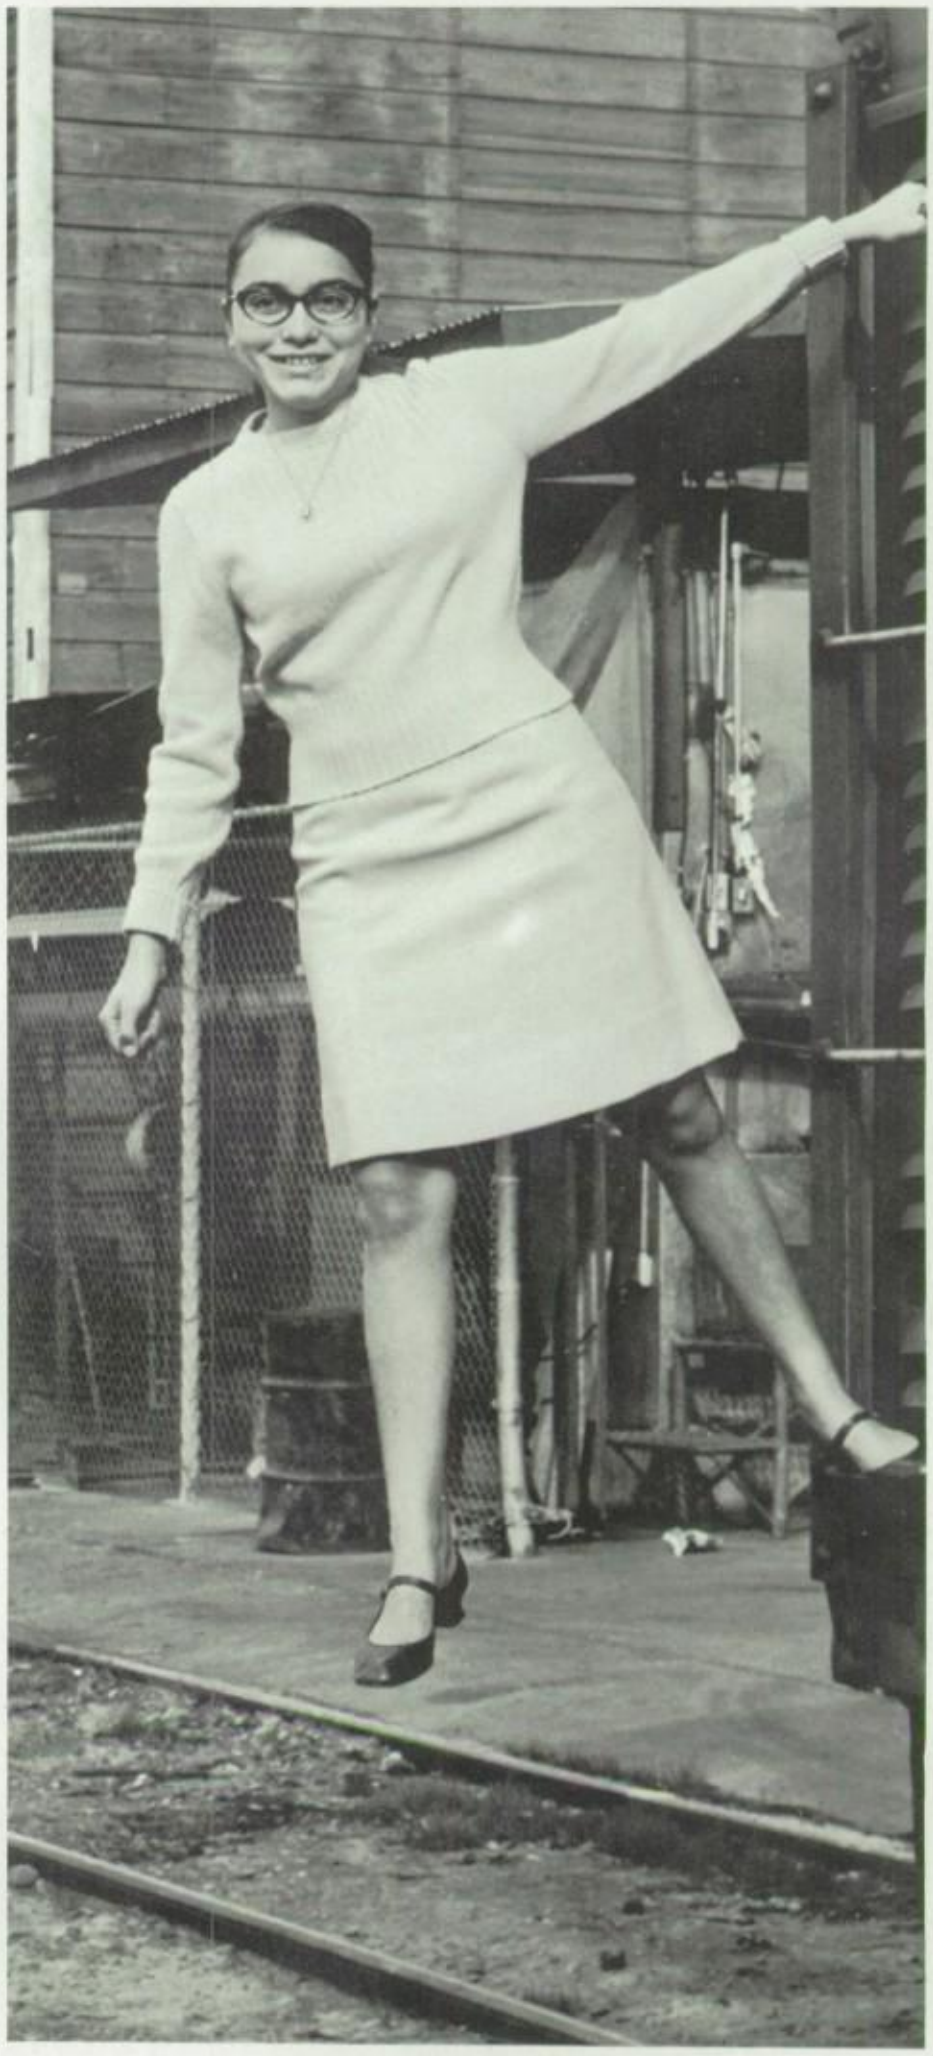
Qualified leaders governed us

Marianne's job as ASB Secretary involved taking the minutes at each cabinet meeting and preparing them for distribution to all third period classes. She was responsible for typing up the agenda each week and contacting people concerning cabinet business. Writing letters was also part of Marianne's job.

ASB Secretary: Marianne Alderson





ASB Treasurer: Lucille Lemus

Lucille began her job as ASB Treasurer by selling ASB Activity Stickers at the beginning of the school year. She also counted money and worked on the school budget. Lucille kept a close watch on the money made from ticket sales for the various school activities sponsored by the Associated Student Body.

Commissioner of Social Activities: Rick Davidson

Keeping students aware of all social activities at Orange High School was part of Rick's job as Commissioner of Social Activities. Despite many financial difficulties and scheduling problems, Rick planned entertaining assemblies which were enjoyed by students and faculty, alike.

Promoting spirit and loyalty among the student body was Jennifer's main job as Commissioner of Pep. Working in conjunction with the pep squad, Jennifer not only planned all the Pep Rallies but she painted thousands of posters, organized two Spirit Weeks and took full charge of Homecoming. Through her untiring efforts, Jennifer aroused spirit and pep in each loyal Panther.

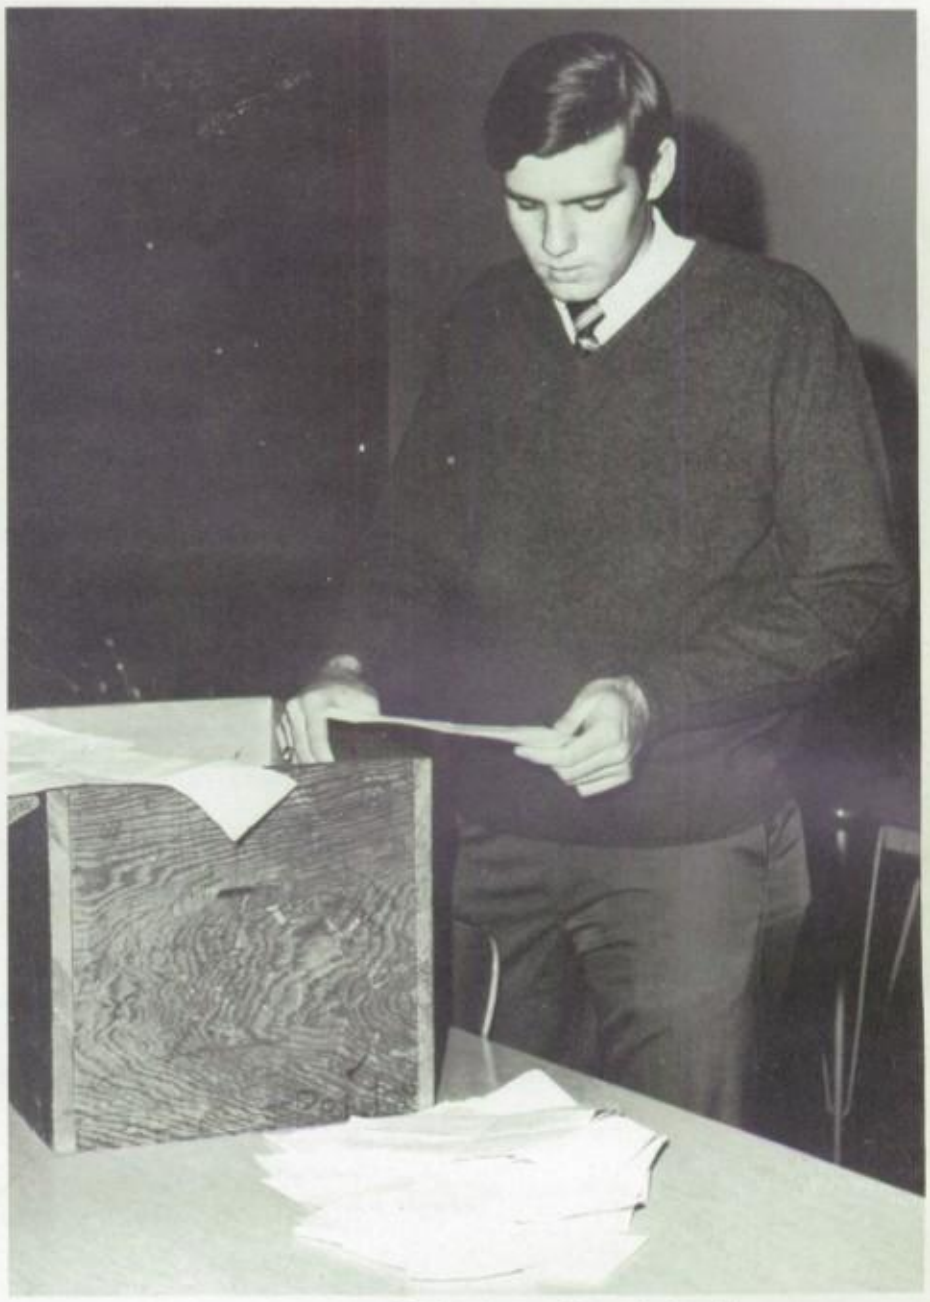
Beth began her job as Commissioner of Publications in the summer of 1968. Putting the Student Handbook together in time for the beginning of school was only part of Beth's job. She also had the task of putting up the bulletin board and keeping students aware of school functions by updating the marquee each week.

Commisioner of Publications: Beth Gardner



Commissioner of Elections: Randy Bolliger

As Commissioner of Elections, Randy had the job of counting ballots and supervising all official Associated Student Body elections. It was his job to see that all the elections were run fairly and he encouraged his fellow students to voice their opinions and vote. Randy helped in the Senior Superlative elections, also.

THE OPTIMIST CREED

Promise yourself . . .

* To be so strong that nothing can disturb your peace of mind.
* To talk health, happiness and prosperity to every person you meet.
* To make all your friends feel that there is something in them.
* To look at the sunny side of everything and make your optimism come true.
* To think only of the best, to work only for the best, and expect only the best.
* To be just as enthusiastic about the success of others as you are about your own.
* To forget the mistakes of the past and press on to the great achievements of the future.
* To wear a cheerful countenance at all times and give every living creature you meet a smile.
* To give so much time to the improvement of yourself that you have no time to criticize others.
* To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Dear Students,

The ORANGE AND WHITE represents a vivid record of the SIGHTS AND SOUNDS OF 1969.

With the valuable assistance of a capable staff I have tried to emphasize the things so common to us all as students of Orange High School. Each aspect of school life has been represented throughout the pages of this book.

I feel I owe special thanks to Mr. Craig, our advisor, for all of his patience and understanding as well as the entire faculty and administration for their cooperation. I would also like to especially thank Judy Pressnall, Copy Editor, for her hard work and devotion.

Each of us will go his own way after graduation. It is our hope that this book will bring back memories in the years to come of the SIGHTS AND SOUNDS OF 1969.

Sincerely,

Many hours of strenuous work by every member of the staff went into the production of the 1969 ORANGE AND WHITE. From the very beginning they were determined to produce an annual Orange High School could take pride in.

As Editor-in-Chief, Alan worked especially hard to see that each section was completed on time and that the book, as a whole, progressed smoothly. He was always willing to help each person and he often worked late into the night.

Judy Pressnall, Copy Editor, was in charge of writing copy, headlines, and captions.

As Business Manager, Carol Burns had the job of handling the annual sales and the money from the sales.

Although it involved much hard work, the job of producing an annual proved to be a very satisfying and enjoyable one. Each step toward completion of the book was rewarding. A real sense of accomplishment was felt among members of the staff once the final pages of the ORANGE AND WHITE were submitted for publication.

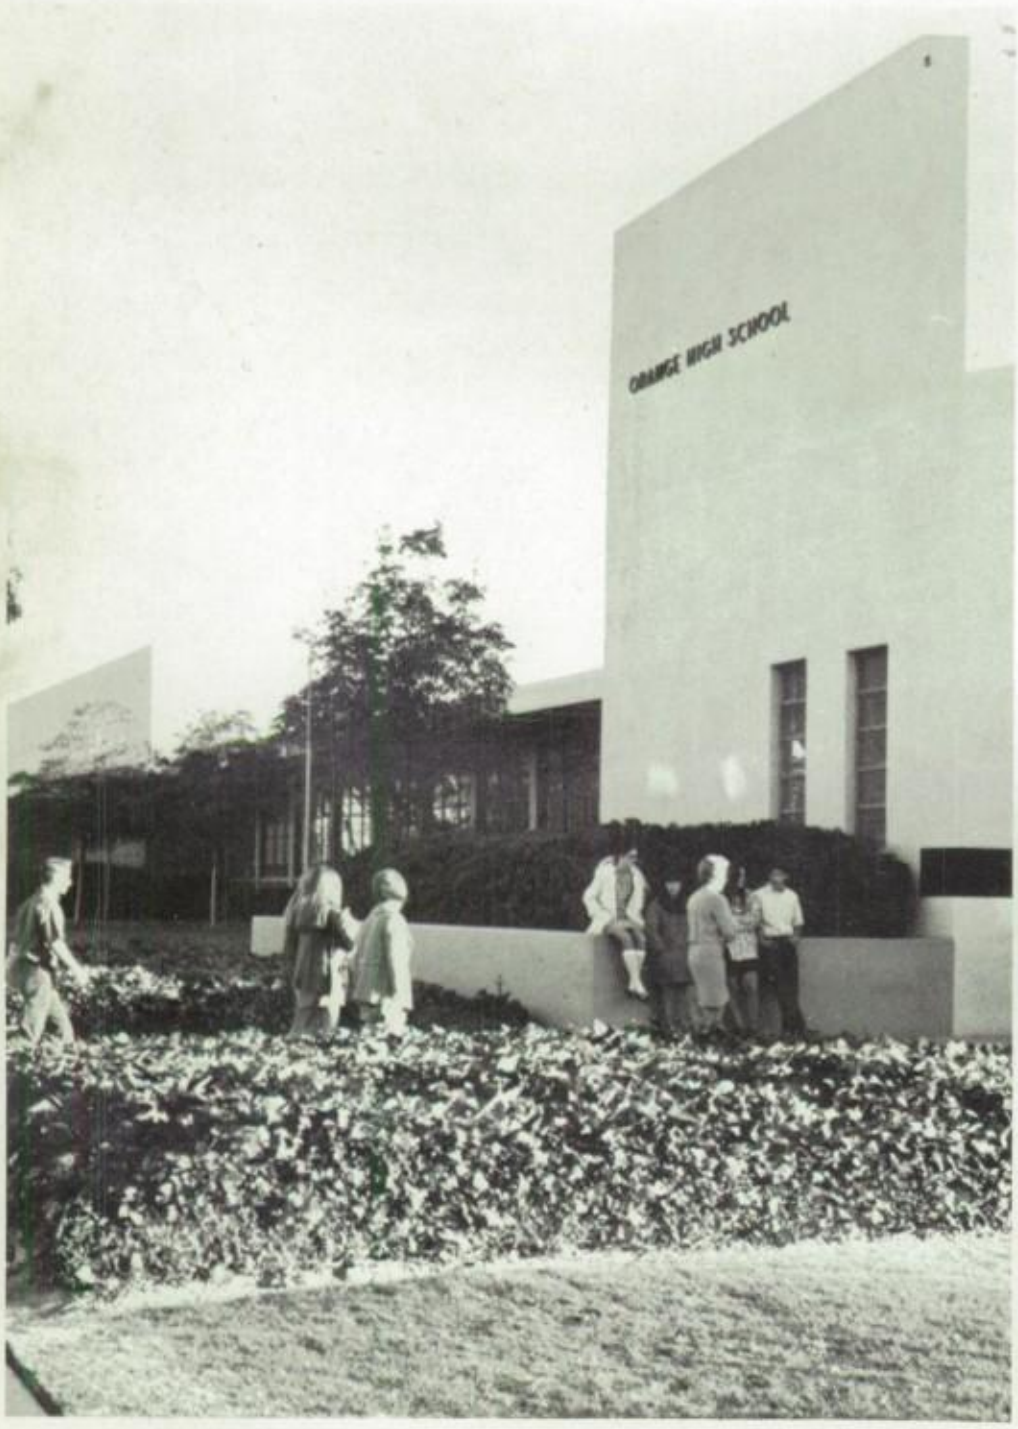
September 10, 1968, marked the

OHS students happily return the first week.

Senior men pile-up to victory at the Welcome Dance.



The ivy was still growing as we returned for the 1968-69 school year.

September 10, 1968, was the beginning of an exciting school year for 2,000 anxious students. Once again the offices were swamped with students. Schedules had to be worked out, and misguided students had to be redirected to their proper rooms. Once again members of the faculty and the administration had the task of orienting students to new methods of teaching and school policies.

Our new student leaders began preparing their programs for the 1968-69 school year. An enthusiastic and determined ASB Cabinet continued the work which they began early in the summer of 1968. Sophomores experienced high school social life for the first time at the Howdy Dance. For the Sophomores it was a new experience bringing with it new sounds and new sights.

Opening Week was climaxed by a successful welcome dance.

Professional singing group "The Match," perform their newest recording, "The Love Years Coming."

While providing a break from the steady pace of daily school schedules, the many assemblies were often informative and inspiring.

One of the first assemblies presented this year was the Dapper-Dans. The talented barbershop quartet from Disneyland added much to their performance by giving members of the audience "personal attention."

The Twin Pipers were a brother act from Fullerton Junior College who sang folk songs for an enchanted audience. Their style was reflective of the Smothers Brothers.

Aspiring baseball players learned much from the panel discussion on baseball. Members of the audience were given the opportunity to question the members of the panel.

The Match, a professional recording group, performed at an assembly and received a tremendous response from the audience.

Members of the student body also presented entertaining assemblies. At the all-school talent assembly, sponsored by the Drama Club, we were given a preview of the off-Broadway musical "The Fantasticks" by Bev Worden, Steve Newcomb, and other members of the cast. Orchesis members delighted the male members of the audience with a chorus line number. Pep assemblies were always exciting and always successful. It proved difficult to remain quiet during one of the spirited happenings.

and during Spirit Week activities.

School spirit is vital for the success of school activities. It is imperative that the students are interested in their school and the functions associated with it. Throughout the 1968-69 school year our Commissioner of Pep organized several Spirit Weeks. The student body's school spirit was overwhelming even in the face of bitter defeat. Activities such as Crazy Shoe Day, Car Decoration Day, Balloon Day, Bike Day, and Clash Day instilled new pride and spirit in each and every Orange High School student.

"Football Fantasy" was the theme for the 1968 Homecoming Game. Last year's Homecoming Queen, the lovely Chris Palmer, was on hand to crown beautiful Kathy Edkins as the 1968 Homecoming Queen. Lera Chapman reigned as Kathy's Maid-of-Honor during the weekend activities. The Pep Squad from the 1967-68 school year was also at the game to keep the spirit high.

Adding to the excitement of the weekend's festivities, the mighty Orange High Panthers ripped into the San Clemente Tritons for a tremendous 41-0 victory. Cries of "Go, Fight, Win" could be heard from the stands throughout the entire game.

The week preceding the Homecoming Game was designated as Spirit Week. Many activities were planned by the Commissioner of Pep to insure spirit and to encourage our football team to be victorious. A Car Decorating Contest was held as was a Mr. Ugly Legs Contest. A Bike Day climaxed Spirit Week on the Friday before the game. A fantastic turnout of over 800 bikes circled the Orange Plaza and let it be known that the Panthers are best!!!

Seven Senior boys and seven Senior girls made up the 1968 Coronation Court. The gala event was held in the Orange Coast College Student Lounge on December 21. The Keith Williams Orchestra provided the music for the attending couples. The highlight of the evening was the crowning of the King and Queen. The reigning couple, chosen from the fourteen-member court, was Randy Bolliger and Betsy Bridgman. The radiant King and Queen added much to a perfect evening.

As in previous years, each couple who attended the Coronation Ball brought a gift for a small girl or boy. After the dance the much-appreciated gifts were donated to the Children's Hospital of Orange County.

The Yorba Junior High School Cafetorium was the location of the annual Girl-Date-Boy Dance which was sponsored by the Girl's League. The dance was held on Saturday, February 8, from 8:00 p.m. until midnight. Entertainment for the evening was provided by the "House of Noah."

Climaxing the exciting evening was the crowning of a "Knight to Remember." A court of five Senior boys was selected by the members of the Girl's League cabinet and those who attended the dance chose the Knight. Mike Portigal was selected from the court to bear the title and wear the crown. The dance was truly a memorable occasion for all who attended.

The annual Girl's League Date-Dad dinner was a big success, Girl's League selling over 500 tickets. The dinner, in honor of all the fathers of OHS girls, was held at Walker Hall. Entertainment for the evening included the traditional Spoon Song, the dedication song to the fathers sung by Debbie Whisman and Kathy Johnston, a skit, and a program by Don Brenneman, Frank Archuletta, and Mr. Peterson. Fathers and daughters, alike, enjoyed a wonderful evening.

Mothers and daughters of OHS enjoyed a wonderful evening at the Hi-Mom banquet this year. The banquet was again held in Walker Hall of St. John's Lutheran Church. The theme for the evening, "Forecast for the Future," was aptly brought out in Pat Taulbee's program. The entertainment included the "sing-along" to the tune of "The Bells Are Ringing", the traditional Spoon Song, the Generation Gap game, and singing by the "Back Country." The event proved to be a very enjoyable one for all those who attended it and made it the huge success it was.

Throughout the school year, the students involved themselves in many activities after school and at night. The Donkey Basketball Game was a tremendous success. Excitement ran high during the game as the faculty edged out the students. A new activity experienced by the student body this year was the Raw Esophagus. Sponsored by the Evangelical Free Church, the event was a Pep Squad competition between Orange High and her rivals, Villa Park and El Modena. The competition stimulated deep emotions in all of the schools, especially the victorious Orange High student body, recipients of the winner's trophy. Other activities during the year included a Whiskerino Contest, a door decorating contest held during Christmas time, and a visit from Santa. Members of the student body entertained us at the Drill Team Show and during a modern dance production at the talent assembly.

Aspiring actors and actresses

The hit Broadway musical, "Bye Bye Birdie", has been termed "America's Swing-in'est Musical", and has been highly praised as the freshest, funniest, brightest musical in years. Orange High's Vocal Department presented the musical last November with a great deal of success. The play dealt with the departure of Conrad Birdie, a teenage singing idol, who had been inducted into the army. A hugh cast of talented Orange High students worked extremely hard to present the lively program to the delighted audiences, who packed the Little Theater during each of the four performances.

K. Adamson, J. Hammond, S. Adams, D. Brenneman, T. Julian, and D. Jones bring "The Fantasticks" to a dramatic finale.

When discussing the off-Broadway musical, "The Fantasticks", the word "unique" immediately comes to mind. Employing no scenery to speak of and a cast of only eight, the play dealt with parents who wanted their children to fall in love. The story revolves around their scheming efforts. There were many humorous parts throughout the play, although the musical was not a comedy. Tom Jones wrote the story and the lyrics with a narrative point of view, satire, and wit. "The Fantasticks" afforded Orange High's competent music students the opportunity to express their creativity and individuality in the field of acting. The musical production proved a tremendous success.

performed in plays and musicals.

One of many exciting scenes from "Rebel Without A Cause."

This year the Drama Department skillfully presented "Rebel Without A Cause." The drama effectively dealt with the "generation gap." Jim Start, a new boy in town, was confronted by the gang and the gang leader's girlfriend, Judy. Conflict and turmoil in Jim's home made things that much worse for him. The play was one which each student could identify with in some way. A fascinating light show was presented by some students, and an art display was set up in the lobby as part of the evening's program. The dramatic production was enjoyed by all those who attended.

FRENCH CLUB

Through involvement in the French Club, students were given the chance to learn more about the language in an informal atmosphere. They held a get-acquainted party and a banquet at an authentic French restaurant. The club also held a profitable after-game dance in January and sold over 200 tickets.

LATIN CLUB

The purpose of the Latin Club has been to encourage interest in Latin and Roman civilization and to afford students the opportunity to learn about the language. The Latin Club sponsored a Clean Campus Contest once a month. While serving as a service project for the school, the Clean Campus Contest also introduced students to the Latin Club and its purpose.

The sights and sounds of 1969 will always hold special meaning for the graduating Seniors. They were the climax of twelve years of learning, and for some, the beginning of many more.

Our Senior year was highlighted by many events which will be long remembered. As the year began, the Senior class planned a successful Coronation Ball which was climaxed by the crowning of the King and Queen, Randy and Betsy.

Again, this year, the Seniors were able to retain their Senior privileges. Senior Seating, the Senior Patio, the Senior Bench, and Senior Ditch Day were enjoyed by the entire class.

The sights and sounds of our high school years will fade, but they will never be completely gone. We realize, as our last year draws to a close, that they cannot be replaced by the sights and sounds of the future but will merely be relegated to their places in our memories. They will always be with us.

Seniors had spirit!

The School Board was responsible

Mr. Harold Kibby, Superintendent of Orange Unified School District.

Students—Orange High School

Being an active part of a student body is a thrilling experience. The association of faculty members and students makes it possible to appreciate each one's contribution in making Orange High School an outstanding school.

The administrative staff and faculty members appreciate your help and support in making this a most memorable and productive year.

Please accept the challenge of making each year an outstanding year for Orange High School. Be proud of the many accomplishments and grateful that you were a part of Orange High School for the 1968-69 school year.

Very truly yours,

Harold Kibby

for school policy and curriculum.

Mr. Verrill Townsend, who has been our principal since 1954, has been an educator for thirty-four years.

As principal of Orange High School, Mr. Townsend makes vital decisions daily which affect the 2,000 students and faculty members. His devotion and dedication have contributed immeasurably to our years at Orange High School.

In addition, Mr. Townsend is in charge of all personnel at Orange and serves as the official representative of our school.

Mr. Townsend attends to his many duties.

PRINCIPAL: MR. VERRILL TOWNSEND

MR. LEN SURLES, VICE-PRINCIPAL.

Mr. Surles' job this year as Vice-Principal has been to supervise discipline, attendance, and student activities. He talked with both students and their parents in an effort to improve academic progress. Mr. Surles often helped Mr. Townsend in his duties as Principal.

Our counselors, headed by Mr. Dunning, are an important part of the school faculty. Their job was to prepare the students for the years ahead and to help them make the most of the present. All of the counselors worked hard analyzing test scores, helping students select courses of study, aiding in preparation for college, and listening to personal problems.

Each of our counselors is well equipped to handle their job. All have a keen sense of understanding and the desire to help young people make something of their lives. We owe a great deal to these people who helped us shape the course of our lives.

The principal aim in the course of American Democracy has been to develop an awareness and a degree of understanding of the organization, structure, and functions of governments in each student. The faculty has also tried to develop a conscious and concern about contemporary affairs.

In United States History, the students study the origins of the United States. The development of our form of government, the history of many famous leaders, and discussions of some of the present problems related to the past were some of the areas covered in the course.

As sophomores, students must take World History. This course covered a broad range of countries and their histories and attempted to relate them to the present. Through World History, students were able to trace the development of the countries we know today.

Mr. Talafus lectures to a class.

The members of the Language Department have tried to increase the student's interest in foreign languages by encouraging participation in the language clubs. The clubs held numerous meetings throughout the year and went on many field trips. In the classroom, the students were taught how to read and speak the language they were studying. The language lab was a valuable educational aid, as were the many recordings and books used throughout the year.

Foreign languages were learned.

Creativity was the key objective of the Art Department. The students were encouraged to express themselves through the various forms of art. A large portion of the first semester was involved with the designing of scenery for the play, "Rebel Without a Cause." The art students also participated in the PTA parking lot sale, and took part in some interesting field trips.

The Music Department has been busy presenting programs in the various areas of music. The band entered a Festival sponsored by the SCSBOA in March, and presented a concert in April. The choir presented a production of "Fantasticks" in February and the Dance Band provided the music for the annual PTA-OHS sponsored dance for adults.

Members of the teaching staff felt that the new curriculum offered a great deal more to the individual student.

The Boy's Physical Education Department has concentrated its efforts on strengthening the endurance and stamina of the boys. Each day the boys go through a vigorous program of calisthenics and run a number of laps around the field. The classes are divided into sections of seniors, juniors, and sophomores. Football, basketball, baseball, tennis, handball, wrestling, track, and murder ball are some of the sports they participate in.

Boys played murder ball in the gym on rainy days.

Students were given new opportunities in the Business Department this year through the stenography lab and the work experience program. There was also an increased participation by the students in the recently implemented courses of Salesmanship, Business Law, and Recordkeeping. Members of the Business Department are making plans to include a Business Machines course and an Introduction to Data Processing course.

The Home Economics Department has been very active during the past year. In December they participated with the French Department in presenting a community Open House. The 1969 Search for the American Homemaker of Tomorrow Award was earned by Lucille Lemus. An objective of the Home Economics Department was to teach all phases of homemaking. The addition of Family Living and Home Design has helped them to accomplish that goal.

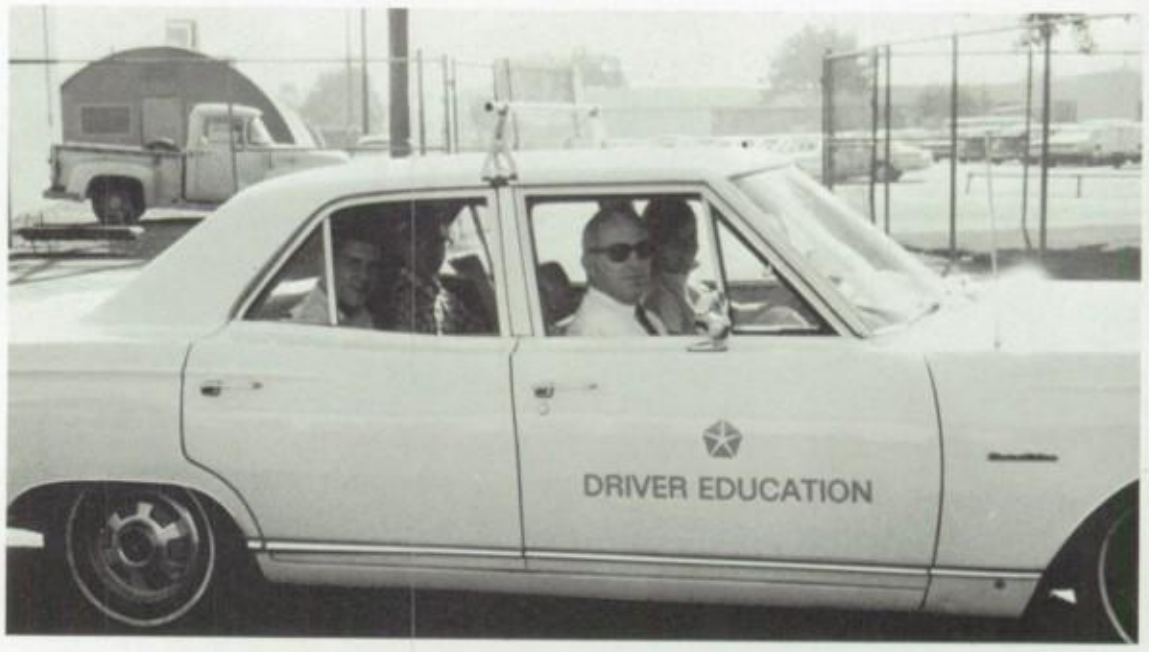
BEWARE!!

Each student must pass a course in State Requirements before he can graduate from Orange High School. With so many cars and freeway systems, learning to operate a vehicle skillfully is essential. A competent staff and modern educational equipment has made this course a valuable addition to each student's course of study. Students were taught the laws of the road in a classroom and were given behind the wheel training.



On the brink of another perilous journey, Mr. McVeigh nervously bids farewell.

Teacher of the Year: Mr. Roy Meade

TEACHER OF THE YEAR

Because he possesses all of the qualities enabling him to win in any of the Teacher Superlative categories, Mr. Roy Meade has been selected by the senior class as "Teacher of the Year."

Mr. Meade teaches recordkeeping and typing in the Business Department. He is also the coach for Junior Varsity Basketball and Cross Country.

During his years at Orange High School, Mr. Meade has become known and admired as an understanding and cooperative teacher. His school spirit and loyalty are highly contagious and students enjoy being with Mr. Meade. It would be difficult to find a man more worthy to bear the title of "Teacher of the Year."

MOST FUN TO BE WITH

Miss Black has been selected as the "Most Fun To Be With." Teaching girl's Physical Education has given Miss Black an opportunity to meet and work closely with many girls. She has the rare capacity for working with students not only as an instructor but as a friend.

MOST SPIRITED

Mr. Woods' undying school spirit and deep-seated pride has earned him the title of "Most Spirited" teacher. He works with the students not only as a teacher but as a fellow Panther and encourages them to have school spirit and loyalty. Mr. Woods teaches Speech and Drama.

MOST COOPERATIVE

This year the title of "Most Cooperative" teacher has been given to Mr. Fauskin. He enjoys working with young people and encourages them to participate in school activities. Because of his tolerance and good nature he is loved and admired by many. Mr. Fauskin teaches American Democracy and is Senior Class Advisor.

MOST UNDERSTANDING

Mr. Heidecke was selected as the "Most Understanding" teacher. Teaching Senior Problems has afforded Mr. Heidecke the opportunity to know each student's feelings about life and to better understand their problems. Many students turn to Mr. Heidecke for personal counseling. He also teaches American Democracy.

Mr. Woods promoted spirit at the Donkey Basketball game.

Mr. Fauskin was always willing to cooperate with a smile.

Mr. Heidecke used empathy in understanding students' problems.

Quarterback, Gary Wann, takes a breather during the San Clemente game.

This year's Football Team was characterized by their determination and never-ceasing will to win. Their record for the 1968-69 season was not as good as was anticipated, but the entire team put forth a real effort against all rival teams.

The first win of the season was over Mission Viejo. The ferocious Panther varsity ripped into the vulnerable Mission Viejo team for a 34-6 victory.

At the Homecoming game the fantastically prepared team fought hard to beat San Clemente by a tremendous score of 41-0.

A glorious victory over our local rival, Villa Park, showed the fans that our team was quickly improving. The Panthers trampled the Spartans, 31-7.

In the next game against El Modena, the Panthers fought hard to lead 2-0 in the second quarter when "the lights went out." The final score was 14-9 in El Modena's favor.

Rick Westergard was the standout performer, making All-League. Gary Hoeppner and Dennis Walters, two of Orange's best linemen, also made All-League.

There was again town rivalry involved in our games this season. Both of our local rivals, Villa Park and El Modena, had strong teams and proved stiff competition for our varsity players. Much of the season scheduling was disrupted due to the incomplete home stadium. Orange was only able to play host at two games. There were many skills required in football and Coach Deveney trained our Panthers in all of them. The team worked out daily perfecting such skills as coordination, quick-footedness, strength, agility, and stamina.

Our Junior Varsity had an undefeated season. Many of the fine players will be playing on the varsity next year, making the prospects for next year's season promising.

The varsity basketball squad worked hard under the leadership of Coach Walt Hamer. Even when the team fell behind, Coach Hamer managed to keep the morale high and to keep the team fighting for victory. With this fighting spirit and determination, victory over Orange was not an easy task.

The hoopsters began their season with three losses, but retaliated with victory over Kennedy. They continued their pre-league games with fine wins over Savanna and Tustin. From there they went on to win three in a row, defeating Tustin, Mission Viejo, San Clemente and losing in overtime to El Modena, 83-80.

Jeff Frost and Kim Cates were the only three-year lettermen on the squad with Cates making First Team All-League. Underclassmen were also valuable assets to the team, including Larry Goswiller, Gary Krudwig, and Wally Hamer. Sophomore Abel Bernal received an All-League Honorable Mention. The 1969-70 season promises to be an exciting one. With so many returning starters, the team will be well qualified to vie for the Crestview League Championship.

This year's Wrestling team was headed by All-League wrestlers Doug Gerdes, Rick Westergard, and Kevin Robinson. Behind these skilled lettermen, the rest of the Wrestling Team experienced a fine season on the mats. They won five dual matches and finished near the top in the final league standing. They also participated in the Orange Coast College Tournament. Those who participated in wresting matches had to possess strength as well as endurance. Wrestlers had to be able to think quickly and be able to make snap decisions—decisions which often resulted in the difference between a win and a loss in a close match.

Mr. Roy Meade has guided his harriers to two winning seasons.

Cross Country was one of the most strenuous sports involving our athletes. The runners exercised their ability to endure long periods of strenuous work throughout the season. Coach Meade's runners were always on the move and ran distances from the hills of Silverado to Angel Stadium. The team was hit hard by injuries, especially to three-year letterman, Morris Sammons. In spite of these injuries the team bounced back to beat Mission Viejo, Laguna, and Tustin and finish near the top in the Crestview League. Top runners for the season included Morris Sammons, Rick Schade, Kirk Iverson, and Don Brelje. Next year's team will have to work hard to meet the high standards set by this year's Cross Country Team. With only a few returning lettermen, the coaches will have a lot of developing to do.

in both skill and determination.

Coach Jim Dokos has been named "Coach of the Year" four years in a row.

The Panther Baseball Team, under the guidance of Coach Dokos, was well prepared for another winning season. Last year the team was one of the best in the history of Orange High School. They went to the CIF semi-finals, beating Santiago, 8-0, Corona, 7-1, and losing only to Royal Oak, 2-1, in a very exciting game.

Our Baseball Team began their season well. It appeared from the very beginning that there was going to be a great deal of rough competition. Villa Park and El Modena gave early signs of being our toughest competition. However, with many returning lettermen, the Orange Panthers were looking ahead to a victorious season. Gary Wann, in his third year on the varsity, promised a good show. In 1968, Wann was chosen by the Crestview League coaches as "Player of the Year." Kim Cates, a returning letterman, was selected All-League center fielder last year and is hitting well this year. This type of material was abundant on the team this year.

Members of the Track Team had to stick together and combine their efforts for the team's victories. Each man had to work hard on his own and yet be able to work with his teammates. Under the supervision of Coach Carter and Coach McCrae and with such fine men as Tom Fairfax in the pole vault, Dave Porter in the hurdles, and Len Ostrom in the shot put and discus, the team began the season with a great deal of optimism. From the beginning of the season the team looked like a strong contender for the Crestview League crown and the Orange Rotary Relays. Our team members excelled in the running events as well as the field events. It appeared that the popularity of our track meets was increasing as they drew large crowds. Past track stars as well as interested Panthers were on hand to cheer our team to victory.

The popularity of tennis is ever increasing at Orange High School. With a number of returning two and three year lettermen, the Tennis team looked forward to a victorious season. Girls' Sports

Editor: Sue Michaels

The Girl's Athletic Association centered their activities around six popular sports — basketball, badminton, hockey, tennis, softball, and volleyball. As the GAA of Southern California became more and more interested in tournaments, the athletic association at Orange High earned more and more trophies. Orange had one of the most active and largest GAA's in Southern California. They placed competitiveness on the interscholastic and interclass level highly as a part of their character. The Block O, and the stars that could be placed on it, was one of the members highest aims in the organization.

However, the GAA was not only interested in trophies and awards. Led by an efficient, determined cabinet, the members undertook numerous activities. They sold popcorn at football games and sponsored a very successful car wash. They held a fashion show and an awards assembly. The last activity of the year was also the most anticipated. An off-campus awards assembly was held at Knott's Berry Farm. All of these activities helped to add to the fun and spirit which was so much a part of the GAA.

for victory against their rivals.

After surviving a hectic first year at Orange High in 1968, the juniors returned for their second year prepared to fight for victory. Even in the face of defeat the junior's contagious spirit prevailed, many times to bring them back to glorious victory. The juniors were quick to organize under the supervision of Mrs. Mulkerin. Their teamwork proved to be a valuable asset in competition. As in past years, the juniors provided stiff competition for the reigning seniors.

Not many people realize the great amount of skill which is required of tennis players. On the serve the ball must clear the net as quickly, clearly, and smoothly as possible. Then, the follow-up shots must be strong, fast, placement shots. With their competent advisor, Mrs. McDonald, and in an atmosphere of enthusiasm, the tennis players quickly mastered these skills. The varsity this year was almost entirely new but they matured quickly and performed surprisingly in their inter-scholastic matches.

Badminton was a fascinating aspect of GAA. The game relied on individual talents and the girls who played soon found out that badminton was not as easy as it appeared. The sport required intelligence and swiftness as well as quiet endurance. Few took notice of the skill that was really needed in this sport. Chattering, shrieking sophomores soon exploded their way into the GAA at Orange High. Their first introduction came during the sophomore orientation. The hardest task which faced the girls was growing accustomed to the feverish activity of the organization. However, with the help of their advisor, Mrs. Weatherill, they soon became a working part of the GAA.

The members of the Officials Club were a very active part of the Girls Athletic Association this year. The girls officiated at interclass games and playdays. They were often called upon to officiate at other schools. The officials made sure that every game was played fairly and that sportsmanship was practiced by each member of both teams. Through membership in the Officials Club, the girls were given the opportunity to work for the school district as paid officials. Frequent tests and on-the-job training resulted in a highly qualified group of officials.

For the junior and senior members of the Girl's Athletic Association, the Block O was worth a total of 700 points. For the Sophomores it was worth 800 points. Twice during the school year the Block O's were awarded to deserving girls at GAA award assemblies. The second awards assembly was an off-campus dinner. During the course of the evening the past events of the 1968-69 school year were reviewed. The awards were given out and the new officers for next year were announced and installed. It was a time of enjoyment for the sophomores and juniors as they looked forward to the next year's activities; for the seniors it held only memories.

Juniors

Active is a word which describes this year's Junior class. Members of the class joined freely in the school clubs. In order to raise money for the Prom, they raffled off a money tree, sold stagecoach rides at the P.T.A. Sell-a-Thon, and successfully participated in several other projects.

In remembering the Junior class, one recalls the sounds of spirit and vitality. Juniors could be heard participating in student government, cheering at games, and involving themselves in class discussions.

Each activity prepares the students for their Senior year and inevitably for life itself.

Underclassmen

For the underclassmen, spirit ran high at Pep rallies, games, assemblies, and other school activities. They were anxious to participate in everything and they worked hard for the good of Orange High School.

Underclassmen also concentrated hard on academics. They studied English, history, math, and languages to insure success in their futures.

Capable class officers guided the classes through the year. Each class was represented in student government. The officers dedicated themselves to bettering their respective classes and, working together, united the student body.

Through this union they learned the value of working with others for their mutual benefits.

Sophomores

RAH!

One of the major accomplishments of the sophomores has been adjusting to the steady high school pace and becoming accepted by the upperclassmen.

Through the election of sophomore officers they participated in student government. Through various activities they become acquainted and they learned the meaning of belonging.

For the sophomores, the new experiences they have are only a prelude to a fulfilling three years at Orange High School.

For A Secure Future . . .

Knowledgeable students put their savings to work. They put it in a sound Savings and Loan account to let their money draw excellent interest rates.

This interest is compounded to insure a sizeable "nest egg" for future use.

Also, these students are in an excellent position to secure a home loan, a business loan, or loans on important real estate developments.

The rains began. It rained for nine days and eight nights. The dams began filling and as they grew fuller, more water was released through the spillways. As the water was released, the once-dry creek beds filled and emptied into the rivers. The now-raging waterways, eroded; they began widening and overflowing. In their path lay destruction . . .

... homes which were built along the banks of the Santiago Creek and Santa Ana River faced inevitable damage, if not total destruction. Homes and apartments along Mallard Drive and Walnut Avenue in Orange were completely washed away by the uncontrollable currents. Homes in Silverado, Irvine, Santa Ana and Modjeska Canyons were inundated by the murky waters. And then it stopped.

In recognition of outstanding cooperation, we wish to thank . . .

Mr. Craig . . . our advisor, for being available for advice at any time.

Mr. Townsend . . . for his cooperation with the staff in producing the annual.

The entire faculty . . . for accepting thousands of blue slips and excusing students for club pictures.

Mrs. Rice and Mrs. Gerdes . . . for being so patient and trusting each time we had to check out of school.

Mrs. Armour . . . for assisting with the underclassmen section.

Mrs. Harris and Mrs. Eggers . . . for looking up students' names and assisting us with blue slips.

Mr. McMillen . . . for grammatically correcting parts of our copy.

Mr. Heidecke and Mr. Gully . . . for letting Judy miss so much class time.

Mr. Garrison . . . for letting us borrow sports equipment out of season.

Mr. Huck . . . for being so patient in letting us in and out of the student parking lot.

Albert & James Photographers . . . for their efficiency in developing our pictures and for special favors.

Mr. Gene Malcom . . . for offering his professional advice in taking pictures from Disneyland to Leisure World.

Mr. Bob Jackson . . . for taking time out from his job as publicity director of Disneyland to guide us around the park to take pictures.

Knott's Berry Farm . . . for approving our security passes and letting us take pictures.

Susan Michaels . . . for working on the index; typing endless names and numbers.

Paul Mullins . . . for adding artistic touches to the Annual.

Bob Gardner . . . for offering his services as a photographer even though he wasn't on the staff.

The Merchants of Orange . . . for supporting our Annual by buying advertisements.

Judy's dentist . . . for letting us use his chair without an appointment.

The students of Orange High . . . for letting us take their pictures and for buying annuals.

DESIDERATA

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of the fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

The sound of silence . . .

Kristen,
This year has
really been fun at
lunch and in all the
school year. I really got to
know you good and how glad
I did. I'll always remember
your funny yokes and the summer
any evening I'll call
love a good yoke. Oh! and next year we'll have another
two times than this year. Oh I remember me
my picture in here it came out funny.
Luv ya
Debbie Hudson

"11" RULES!!!!!!

O.H.S. is ALRIGHT

Kristen Hello
Next year we'll get together
Just - Julie Bragg

Kristen, I really didn't
know you that well but
to what extent I do know
you I am glad to
know you. (I'm
confusing myself.) Lots
of luck in the next
year. Luv, Elise

Kristen, Have a great
summer and this year
really been fun
I'll see you
hope to

Having you as a friend has brought a little more
joy and happiness into my life and I'm sure it brightened
the days we were going to school! I'll miss your charming
laugh anywhere. ☺ Drivers training was a little
hairraising for everyone ☺ but all in all it was
really fun. I hope we get in some classes together
next year so we can laugh. Have fun this summer
and keep in touch.

Kris,
I would say it has been great
in French but it hasn't
I won't. I would write
long but I have no
I'll see you
good bye
Michelle

Kristen,
It sure has been lots of fun knowing you this year in P.E. Remember all the fun times we had as partners in tennis. You're a really sweet girl and don't ever change! Have lots of fun this summer!! God Bless you.
Luv, Diana

Kristen,
It was really fun having you in my driving class. Especially when you and Pam had a fight.
Don Kruzinski

Kristen
It's been fun this year. I enjoyed knowing you and hope to see ya next year. Good Luck and take it easy.
Tony Hodgson

Kristen,
It's really been a gas knowing you this year. We actually made it through Smith's class! Good luck and Be careful!
Cheri Wolpert

Kristen - Well we've made it through another year. We even made it through Dolos & Durbin. What a pair! I had you in P.E. for all semester and really enjoyed it. I'm really glad that I got to know you. Have a great summer & I'll see ya next year as a junior.
Always &
God Bless,
Vic Armstrong

Kristen,
Just think - next year we'll be MIGHTY Juniors, then we'll be GLORIOUS Seniors!! I hope our friendship will continue to last through not only the next few years but also once we're out of school. Stay sweet and cute and I hope to see ya next year and this summer. Call me - OK?
